Ordinance No. 561-2026

By Council Members: Davis, Santana, Polensek and Harsh

An ordinance to supplement the Codified Ordinances of the City of Cleveland, 1976, by enacting new Sections 686B.01 through 686B.11, 686B.99 and 686B.991, related to Short-Term Rentals; amending Sections 193.01, 193.02, 193.03 and 193.021, as amended by various ordinances related to the Transient Occupancy Tax; amending Section 337.02, as amended by Ordinance No. 586-16, passed July 13, 2016, related to One-Family Districts; and repealing Section 337.251, as amended by Ordinance No. 1444-16, passed January 23, 2017, related to Limited Lodging in Residence Districts.

WHEREAS, the increase in the number of persons and entities desiring to rent their residential properties on a short-term basis has led to the rise in transient and vacation rental uses within City neighborhoods that originally were planned, approved and constructed solely for residential use; and

WHEREAS, residential properties used by individuals for short periods of time (“short-term rentals”) can negatively impact the neighborhoods’ residential character that first encouraged people to purchase homes in that neighborhood; transient visitors taking the place of permanent residents can destroy the unity, communication and accountability between permanent residents; and

WHEREAS, the increase of substitute land uses for residential property contributes to the shortage of affordable housing for homeowners and long-term renters; and

WHEREAS, this Council has received numerous complaints from neighbors seeking to resolve issues with parking, noise, safety, and other adverse effects related to the operation of short-term rentals in residential areas; and

WHEREAS, regulating the use and operation of short-term rentals is intended to prevent continued negative impacts on pre-existing and stable neighborhoods and advance this Council’s commitment to preserving the residential quality of the City’s neighborhoods; and

WHEREAS, this Council believes that the licensing procedure and regulations set forth herein will permit the successful operation of short-term rentals in residential neighborhoods, are necessary to protect the health, safety and welfare of property owners, residents and transient guests, and will ensure such operations do not continue to negatively impact the residential character of neighborhoods; now, therefore,

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF CLEVELAND:

Section 1. That the Codified Ordinances of Cleveland Ohio, 1976, are supplemented by enacting new Sections 686B.01, 686B.02, 686B.03, 686B.04, 686B.05, 686B.06, 686B.07, 686B.08, 686B.09, 686B.10, 686B.11, 686B.99 and 686B.991 to read, respectively, as follows:

Section 686B.07 *Short-Term Rental Density Limitation; Variance*

(a) *Density Limitation.* In any residential district, short-term rentals are limited to at least one or no more than 10% of the total residential units on the block or in a multi-unit building, whichever is greater. For purposes of this chapter, “multi-unit building” means any Class A multiple dwelling, as defined in Section 325.50, containing three (3) or more dwelling units.

(b) *Exception.* In order to obtain a license for a short-term rental that would exceed the density limitation in division (a) of this section, an owner or operator may apply to the Board of Zoning Appeals for a variance. The Board may consider the following factors when determining whether to permit the variance:

- (1) whether the operation as a short-term rental in excess of the density limitation will adversely impact the residential quality of the neighborhood in which the property is located;
- (2) whether the dwelling was previously operated as a short-term rental;
- (3) whether any prior operation as a short-term rental was the subject of documented complaints;
- (4) whether such operation is likely to disrupt adjacent owners’ right to the quiet enjoyment of their property;
- (5) whether such operation will substantially impact parking on the street fronting the short-term rental property and/or on nearby streets, including whether the property provides only limited off-street parking;
- (6) whether the applicant seeks to operate an entire residence as a short-term rental or whether the short-term rental use is limited to a portion of the residence;
- (7) whether other short-term rentals in excess of the density limitation are already operating on the block;
- (8) in a multi-unit building, whether a majority of the residents and/or tenants support the variance; and
- (9) such other factors as the Board deems necessary to aid in its decision.

(c) No owner or operator shall operate a short-term rental exceeding the density limitation set forth herein unless a variance is granted pursuant to this section.

(d) A dwelling unit in a residential district that has been in operation as limited lodging under Section 337.251 for a period of at least one year prior to the effective date of this ordinance is not subject to the density limitation of this section, so long as the limited lodging operation was at all times in full compliance with these Codified

Ordinances, and there are no recorded complaints against the property when operated as limited lodging. Full compliance with Section 337.251 means a dwelling unit has operated as limited lodging for fewer than ninety-one (91) days per calendar year and the lodging to any particular lodger was for not more than thirty (30) consecutive days; and compliance with the standards set forth in division (c) of Section 337.251, including providing and maintaining smoke detectors and carbon monoxide detection devices. An owner's or booking agent's records confirming that the property was operated as limited lodging in full compliance with the Codified Ordinances, including Section 337.251, for the period of time required herein shall be considered evidence of operation as limited lodging.

Section 686B.08 *Booking Agent Registration Required*

(a) *Registration.* A booking agent of short-term rentals shall register with the Commissioner on a form provided by the Commissioner, which form shall include:

(1) The name, mailing address, street address, telephone or cell phone number, and e-mail address of the booking agent;

(2) The name, mailing address, street address, telephone or cell phone number, and e-mail address of at least one person authorized to:

A. Accept service of process on behalf of the booking agent;

B. Manage issues related to the collection and remittal of taxes and fees under Chapter 193 of the Codified Ordinances; and

C. Take remedial action to address any violation of an owner's or operator's responsibilities under this or any other relevant chapter of the Codified Ordinances.

(3) Any other information deemed necessary by the Commissioner in the Commissioner's discretion.

(b) *Registration renewal; updated contact information.* The registration required under this section shall be renewed annually, on a schedule set by the Commissioner. The booking agent shall notify the Commissioner immediately of any changes in the contact information of the authorized person required under this section.

(c) *Compliance with Chapter 193.* Booking agents shall comply with all requirements of Chapter 193 of these Codified Ordinances.

Section 686B.09 *Discrimination Prohibited*

No owner or operator shall:

- (a) Decline a short-term rental to a transient guest based on race, religion, color, sex, sexual orientation, gender identity or expression, national origin, age, disability, ethnic group or Vietnam-era or disabled veteran status;
- (b) Impose different terms or conditions on a short-term rental based on race, religion, color, sex, sexual orientation, gender identity or expression, national origin, age, disability, ethnic group or Vietnam-era or disabled veteran status; or
- (c) Advertise a short-term rental that discourages or indicates a preference for or against a transient guest based on race, religion, color, sex, sexual orientation, gender identity or expression, national origin, age, disability, ethnic group or Vietnam-era or disabled veteran status.

Section 686B.10 *Rules and Regulations*

The Commissioner shall promulgate rules and regulations to carry out the intent of this chapter, which may include, but not be limited to, additional grounds and processes for the approval, denial, suspension and revocation of a license. Such rules and regulations shall be effective seven (7) days after publication in the City Record.

Section 686B.11 *Severability*

The provisions of this chapter are deemed to be severable, and if any of its provisions are held to be unconstitutional or otherwise invalid by any court of competent jurisdiction, the remaining provisions shall not be invalidated.

Section 686B.99 *Criminal Penalties*

- (a) *Failure to obtain a license.* Any owner or operator who operates, rents, leases, subleases, licenses or sublicenses a short-term rental without a valid license in violation of Section 686B.03 is guilty of a misdemeanor of the first degree and shall be fined not more than one thousand dollars (\$1,000.00) or imprisoned not more than six (6) months, or both.
- (b) *Operation without a variance.* Any person operating a short-term rental without a variance in violation of Section 686B.07 is guilty of a misdemeanor of the first degree and shall be fined not more than one thousand dollars (\$1,000.00) or imprisoned not more than six (6) months, or both.

(c) The fines charged under this section shall be in addition to, and not in lieu of, any other penalties, civil or criminal, that may be charged against any person for a violation of these Codified Ordinances, including but not limited to penalties under Section 686B.991, Chapter 193 and Chapter 630.

(c) *Completing a reservation without a license.* Any owner or operator that completes a reservation for a short-term rental that does not have the license required under division (b) of Section 686B.05 shall be fined one thousand dollars (\$1,000.00) for each offense.

Each day of non-compliance constitutes a separate violation.

(e) *Offering a short-term rental in violation of Section 686B.06.* Any owner or operator, with a valid license, who otherwise offers a short-term rental in violation of the regulations and standards set forth in Section 686B.06 shall be fined one thousand dollars (\$1,000.00) for the first offense, and three thousand dollars (\$3,000.00) for a second and any subsequent offense.

The administrative officer shall have jurisdiction to affirm or reverse the civil penalty. A person aggrieved by a final decision of the administrative officer may further appeal to the Board of Zoning Appeals within thirty (30) days after the administrative officer's written decision.

Section 2. That the Codified Ordinances are supplemented by amending Section 193.01, as amended by Ordinance No. 252-A-83, passed June 15, 1983; Sections 193.02 and 193.121, as amended by Ordinance No. 30-16, passed June 6, 2016; Section 193.03, as amended by Ordinance No. 597-13, passed May 20, 2013; and Section 337.02, as amended by Ordinance No. 586-16, passed July 13, 2016, to read, respectively, as follows:

Section 193.01 *Intent of Tax*

It is the intent of the City to levy the excise tax of three percent (3%) on transactions by which lodging is or is to be furnished by a hotel or a short-term rental to transient guests as referred to and authorized by RC 5739.08. Accordingly, this chapter shall be construed to effectuate that purpose, and so as to be consistent with any requirement of law, compliance with which is a prerequisite to the validity of the tax intended to be levied hereby.

Section 193.02 *Definitions*

As used in this chapter:

(a) "Administrator" means the Commissioner of Assessments and Licenses or his or her authorized representative.

(b) "Booking agent" means any person or entity that facilitates reservations or collects payment for hotel or short-term rental accommodations on behalf of or for a vendor, through a website, mobile application, or by other similar means. Merely publishing an advertisement for accommodations does not make the publisher a booking agent.

(c) "Hotel" means every establishment kept, used, maintained, advertised, or held out to the public to be a place where lodging is offered to guests in one (1) or more rooms, regardless of use of keyed entry, whether such rooms are in one (1) or several structures, and whether the rooms are located in different structures or on different parcels of land if the structures are not identified in advertisements of the accommodations as distinct establishments.

(d) "Transaction price" means the total amount of consideration, including money or any other value, paid, or to be paid, or given by, or on behalf of, a transient guest to a hotel, short-term rental, or booking agent in exchange for lodging. The transaction price is the amount advertised or published to the public, inclusive of any fees built into the advertised or published price; however, service fees or booking fees, if separately stated, shall not be included in the transaction price.

(e) "Transient guest" or "transient guests" means a person or persons occupying a room or rooms, or a short-term rental dwelling for lodging for less than thirty (30) consecutive days.

(f) "Vendor" means the person who is the owner or operator of the hotel or short-term rental and who furnishes the lodging.

(g) "Short-term rental" means the temporary rental for compensation of a dwelling unit by the owner, operator, or through a booking agent, for the accommodation of transient guests where such accommodation to any transient guest is for not more than thirty (30) consecutive days.

Section 193.03 *Purpose, Rate and Application of Tax*

(a) There is hereby levied an excise tax of three percent (3%) on transactions by which lodging by a hotel or short-term rental is, or is to be, furnished to transient guests.

(b) The excise tax levied under this chapter shall provide revenue for the purposes of general municipal operations, procurement of fixed assets or permanent improvements, payment of debt charges, the elimination of deficits in City funds, and for all other lawful purposes. To carry out such purposes, the receipts of the tax levied under this chapter shall be deposited to the credit of the General Fund.

(c) The tax, which shall be known as the transient occupancy tax, applies and is collectible at the time the lodging is furnished, regardless of the time when the price is paid. The tax shall not apply to transactions by which lodging is furnished to:

- (1) the Federal government, the State, or any of its political subdivisions; or
- (2) a person maintaining occupancy for a period of thirty (30) or more consecutive days; provided, however, that except in the case of employees of the

same employer, no occupancy may be used in combination with the occupancy of another, regardless of the source of payment, to exempt a transaction under this division.

(d) For the purpose of the proper administration of this chapter and to prevent the evasion of the tax, it shall be presumed that all lodging furnished by hotels and short-term rentals in the City to transient guests is subject to the tax until the contrary is established.

Section 193.121 *Booking Agents*

(a) Any booking agent, that facilitates transactions for one (1) or more hotels or one (1) or more short-term rentals in the City and that does not collect or remit the tax on behalf of all the vendors of such hotels or short-term rentals, shall provide the City quarterly within thirty (30) days of the end of each calendar quarter, a transaction report. The transaction report shall consist of all listings by the vendors during the preceding calendar quarter, including, but not limited to, the dates of occupancy for each lodging and the amount paid for each completed transaction, if any.

(b) Any booking agent that lists one (1) or more hotels or one (1) or more short-term rentals in the City shall:

(1) at the time any vendor first lists a hotel or short-term rental with it, notify the vendor of the vendor's tax and license obligations to the City; and

(2) annually provide all vendors of one (1) or more hotels or one (1) or more short-term rentals with a reminder of their tax and license obligations to the City.

In both cases, the booking agent shall use language provided or approved by the Administrator.

Section 337.02 *One-Family Districts*

- (h) The following buildings and uses, if approved by the Board of Zoning Appeals after public notice and public hearing, and if adequate yard spaces and other safeguards to preserve the character of the neighborhood are provided, and if in the judgment of the Board such buildings and uses are appropriately located and designed and will meet a community need without adversely affecting the neighborhood:
 - (1) A temporary or permanent use of a building by a nonprofit organization for a dormitory, fraternity or sorority house, for the accommodation of those enrolled in or employed by an educational institution permitted in the District;
 - (2) Fire stations, police stations;

B. Municipal swimming pools;

(5) Crematories in existing cemeteries, provided they are not less than three hundred (300) feet from any boundary that abuts a Residence District, and subject to the review and approval of the Board of Zoning Appeals as stated above.

WHEREAS, Chapter 1710 of the Revised Code authorizes property owners to petition the City to add their property to the District and request the imposition of a special assessment on their property to support a special energy improvement project; and

WHEREAS, this ordinance constitutes an emergency measure providing for the usual daily operation of a municipal department; now, therefore

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF CLEVELAND:

Section 1. That the Project Petition and the Project Plan placed in **File No. 594-2026-A**, are approved, and this Council consents to the addition of the Property to the District.

Section 2. That it is determined and declared necessary and conducive to the public health, convenience, and welfare of the City to conduct the Project as defined in the Project Plan for a 23-year period, and that the Property will be specifically benefited by the Project and shall be assessed to pay for the costs of the Project, calculated according to the Cooperative Agreement.

Section 3. That the Project Plan placed in the above-mentioned file is approved with a maximum amount of Special Assessments of \$16,624,723.84, which is sufficient to pay the costs of the Project, including other related financing costs set forth in the Petition. The maximum interest portion of the Special Assessments, together with amounts used to pay administrative expenses, has been determined by the District to be substantially equivalent to the fair market rate that would have been borne by notes or bonds issued by the District.

The Special Assessments are to be assessed against the Property commencing in tax year 2027 for collection in 2028, and shall continue through tax year 2049 for collection in 2050; provided, however, if the proceedings relating to the Special Assessments are completed at such time that the County Fiscal Officer of Cuyahoga County, Ohio determines that collections shall not commence for tax year 2027 for collection in 2028, then the collection schedule may be deferred by one (1) year.

As requested in the Petition, the final aggregate amount of the Special Assessments may be in an amount less than the aggregate amount of \$16,624,723.84 if the final rate of interest for the financing for the Project is less than the assumed maximum rate of interest. If the rate of interest is less than the assumed maximum rate of interest such that the aggregate amount of Special Assessments necessary to repay the financing for the Project is less than the aggregate amount of \$16,624,723.84, the Owner and the provider of the financing shall, prior to April 1 in the first tax year for which the Special Assessments are levied, provide an amended schedule of Special Assessments to the City, and the amended schedule shall be certified to the County Fiscal Officer of Cuyahoga County, Ohio for collection.

All unpaid Special Assessments shall be certified by the Clerk of Council to the County Fiscal Officer pursuant to the Petition and Chapter 727.33 of the Revised Code to be placed on the tax list and duplicate and collected with and in the same manner as real property taxes are collected and as set forth in the Project Petition.

The Special Assessments shall be allocated to the parcel (or, if such parcel is later subdivided, parcels) constituting the Property as set forth in the Project Petition and the schedules attached to the Project Petition.

Section 4. That no notes or bonds of the City of Cleveland shall be issued in anticipation of the levy or collection of the special assessments.

- (c) The notice shall include, at a minimum, the following information:

Such requirements shall include, but not be limited to:
- (1) While on the premises of the dog owner, the dog shall be kept in a securely fenced yard or confined inside the dog owner's dwelling, or in a locked enclosure that is sufficient to prevent the dog's escape or access by any person who does not have the dog owner's permission to access the enclosure;
 - (2) While off the premises of the dog owner, the dog shall be on a leash not exceeding six (6) feet in length and under the direct physical control of a person

who, by reason of age, training, and experience, is capable of restraining and controlling the dog. The dog shall additionally be securely muzzled in a manner that prevents biting but does not cause injury to the dog or interfere with the dog's vision or respiration; and

(c) If, upon the expiration of the sixty (60) day period, no final designation of the dog has been made and no proceeding is pending in a court of competent jurisdiction regarding the designation of the dog under R.C. Chapter 955, the interim confinement and restraint requirements imposed under this Section shall expire and the dog owner shall no longer be required to comply with this Section solely by reason of the referral made under Section 604.02. If a court proceeding is pending at the expiration of the sixty (60) day period, the interim confinement and restraint requirements shall not expire until the entry of a final order by the court, or the final disposition of any appeal, whichever is later.

(d) Nothing in this Section shall relieve a dog owner from compliance with any other applicable provisions of this Chapter or other provisions of the Codified Ordinances of the City of Cleveland, 1976, or any applicable provisions of the Ohio Revised Code.

Section 604.05 *Seizure of Dogs Following Attack; Post-Seizure Procedures*

(a) In addition to the seizure authority set forth in division (c) of Section 604.99, and consistent with the authority granted to dog wardens and other authorized persons under R.C. 955.23, an Animal Control Officer who has probable cause to believe that a dog within the City of Cleveland has committed a nuisance dog act, dangerous dog act, or vicious dog act as defined in R.C. Chapter 955, shall seize and take custody of such dog if one or both of the following conditions exist:

- (1) The Animal Control Officer determines, based on the totality of the circumstances, that it is not safe to have the dog remain in the custody of the dog's owner after the commission of the alleged act; and/or
 - (2) The alleged act resulted in the death of a person or serious injury to a person.
- (b) At the time of seizure, or as soon thereafter as is practicable, the Animal Control Officer shall collect information that the Animal Control Officer reasonably believes is relevant to the determination of whether the dog has committed a nuisance dog act, dangerous dog act, or vicious dog act to the extent that the information is reasonably available.
- (c) Upon seizure of a dog under this Section, the Animal Control Officer shall provide written notice to the dog owner as follows:
- (1) If the dog owner is present at the time of seizure, the Animal Control Officer shall provide written notice to the dog owner at that time by personal service;
 - (2) If the dog owner is not present at the time of seizure or cannot be identified at the scene, the Animal Control Officer shall provide written notice by regular U.S. mail addressed to the dog owner's last known address within two (2) business days of the seizure or by leaving written notice posted to the primary entrance of the last known address of the dog owner. If the identity or address of the dog owner cannot be ascertained, the Animal Control Officer shall post a notice at the City Kennel describing the seized dog, the date and location of the seizure, and the redemption procedures set forth in this Section; and
 - (3) The notice required under this division shall include, at a minimum:
 - (i) A statement that the dog has been seized by the Division of Animal Care and Control pursuant to this Section, and a citation to the specific provision of this Section under which the seizure was made;

(vi) A statement that the dog owner has the right to appear and be heard at such hearing and the right to be represented by counsel;

(vii) A statement that the dog owner shall be responsible for all costs of seizure, impoundment, and care of the dog during the period of impoundment, as provided in division (d) of this Section, unless the court determines that the dog is not to be designated as a nuisance, dangerous, or vicious dog; and

(viii) Contact information for the Division of Animal Care and Control and for the County Dog Warden.

(d) The dog owner shall be responsible for all costs associated with the seizure, transport, impoundment, care, feeding, and veterinary treatment of a dog seized under this Section during the period of impoundment. Such costs shall accrue from the date of seizure. If the court determines, following a hearing under R.C. 955.23, that the dog is not to be designated as a nuisance, dangerous, or vicious dog, the dog owner shall not be responsible for costs accrued under this division, and the City shall bear such costs.

(e) Upon the seizure of a dog under this Section, the Animal Control Officer shall compile and submit the documentation required under division (b) of this Section to the County Dog Warden for investigation and for the initiation of designation proceedings under R.C. 955.23. This referral shall be in addition to, and shall not be delayed pending completion of, any referral otherwise required under Section 604.02. Contemporaneously with the referral to the Dog Warden, the Animal Control Officer shall notify the court of competent jurisdiction that a dog has been seized under this Section and that a hearing is required within ten (10) days of the date of seizure, as provided by R.C. 955.23.

(f) Pursuant to R.C. 955.23, a court of competent jurisdiction shall hold a hearing within ten (10) days of the seizure of a dog under this Section to determine the disposition of the dog. The Division of Animal Care and Control shall take all reasonable steps within its authority to ensure that the hearing is scheduled and held within this time frame, including by coordinating with the County Law Department and/or the County Dog Warden.

If the court, following a hearing, determines that the dog committed a vicious dog act as defined in R.C. Chapter 955, resulting in the death of a person or serious injury to a person, the court shall order the humane destruction of the dog as required by R.C. 955.23. The Division of Animal Care and Control shall carry out such order in accordance with division (g) of this Section.

If the court, following a hearing, determines that the dog shall be returned to the dog owner subject to conditions, the Division of Animal Care and Control shall not release the dog until the dog owner demonstrates compliance with all conditions imposed by the court, including but not limited to the procurement of liability insurance, registration, microchipping, and secure confinement as required by R.C. Chapter 955.

(g) No dog seized under this Section shall be humanely destroyed except pursuant to a valid order of a court of competent jurisdiction issued following a hearing under R.C. 955.23.

Notwithstanding any other provision of this Section, if a licensed veterinarian determines that a dog seized under this Section is suffering from a condition that causes the dog severe and unremitting pain and that the condition cannot be treated or alleviated, the dog may be humanely destroyed upon the written certification of the veterinarian, provided that the Division shall make reasonable efforts to notify the dog owner in advance of such destruction and shall document the veterinary certification in the dog's record.

(h) This Section shall not apply to any of the following:

(1) A police dog, as defined in R.C. 955.01, that was acting in the performance of its official duties at the time of the alleged act;

(2) A dog that the Animal Control Officer determines was acting in defense of itself, its owner, or the property of its owner, against a person who was committing or attempting to commit a trespass or other criminal offense on the property of the dog's owner, or who was teasing, tormenting, or abusing the dog at the time of the alleged act; or

(3) A dog whose alleged act resulted from playful, nonaggressive, or age-appropriate behavior, as determined by the Animal Control Officer based on the totality of the circumstances.

(i) In the event of a conflict between this Section and R.C. Chapter 955, the provisions of R.C. Chapter 955 shall control. This Section is intended to supplement, and not to supplant, the authority granted to dog wardens and other authorized persons under R.C. Chapter 955.

Section 604.06 Severability

The provisions of Sections 604.01 to 604.05 are severable, and if any phrase, clause, sentence, or provision is declared to be invalid or is preempted by federal or state law or regulation, the validity of the remaining provisions of this Chapter shall not be affected thereby. If any provision of these Sections is declared inapplicable in any specific way, the remaining provisions shall nonetheless continue to apply and be in full force and effect.

Section 604.99 Penalties

- (a) Any dog owner who fails to comply with the interim confinement and restraint requirements set forth in Section 604.04, after having received notice as provided in Section 604.03, shall be guilty of a minor misdemeanor on a first offense, and on a second or subsequent offense, shall be guilty of a misdemeanor of the fourth degree.
- (b) Each day that a violation of Section 604.04 continues shall constitute a separate offense.

The dog owner shall be responsible for all costs associated with the seizure, impoundment, and care of the dog during the period of impoundment.
- (d) The penalties provided in this Section are in addition to, and not in lieu of, any penalties that may be imposed under R.C. Chapter 955.

plantings, and other nature-based improvements at the sites (the “Improvement”), for the Departments of Finance, Public Utilities and/or Port Control, as appropriate (the “Appropriate Department”), by one or more design-build contracts, or by combining construction management services, professional design services, and construction services in one or more construction-management contracts, duly let to the person, firm, or corporation or combination of them submitting the best proposal, taking into consideration the engineering and design, the construction delivery method, the proposed design and construction costs, the schedule, the total life-cycle costs, the qualifications of the proposed design professional and construction firm or firms, and community benefits offered, and the other objectives of the Improvement.

The selection of the person, firm, or corporation to design and construct the Improvement shall be made by the Board of Control on the nomination of the Director of Finance, Public Utilities and/or Port Control, as appropriate (the “Appropriate Director”), from a list of qualified and available persons, firms, or corporations, as may be determined by the appropriate Director after making a full and complete canvass for the purpose of compiling the list. The contract or contracts shall be prepared by the Director of Law, approved by the appropriate Director, and certified by the Director of Finance.

Section 2. That, as an alternative to Section 1 of this ordinance, under Section 167 of the Charter of the City of Cleveland, this Council determines to make the public improvement of constructing the Improvement, or any component part of the Improvement not covered by Section 1 of this ordinance, by one or more contracts duly let to the lowest responsible bidder or bidders after competitive bidding for a gross price for the Improvement.

Bids shall be taken in a manner that permits an award to be made for all items as a single contract, or by separate contract for each or any combination of the items as the Board of Control determines.

Section 6. That, notwithstanding any provision of the Codified Ordinances of Cleveland, Ohio, 1976, to the contrary, the appropriate Director is authorized to enter into one or more management agreements, or such other agreements as are appropriate for operation and management of the solar power generation facilities constructed under this ordinance, on the basis of competitive proposals, for a period of ten years with two options to renew, exercisable by the appropriate Director. The selection of the contractor shall be made by the Board of Control upon the nomination of the appropriate Director. The agreements shall be prepared by the Director of Law and shall contain additional terms and conditions as the appropriate Director deems necessary to protect and benefit the public interest.

If required by a grant, the appropriate Director is authorized to provide cash-matching funds from funds approved by the Director of Finance, including future bond funds, if issued for that purpose.

Section 10. That under division (b) of Section 108 of the Charter, the purchases and/or services authorized by this ordinance may be made through cooperative arrangements with other governmental agencies. The appropriate Director may sign all documents that are necessary to make the purchases and/or obtain such services, and may enter into one or more contracts with the vendors and/or consultants selected through that cooperative process. Ordinance No. 626-2026

By Council Members: Howse-Jones and Santana (by departmental request)

An ordinance changing the zoning districts of parcels of land south of St. Clair Avenue between East 55th Street and Ansel Road as shown on the attached map and establishing supplemental use limitations for the protection of public health, safety, and welfare. (Map Change 2700)

WHEREAS, the City is implementing Form-Based Code Zoning Districts intended to encourage walkable mixed-use development, compatible neighborhood-scaled investment, adaptive reuse, and long-term revitalization; and

WHEREAS, the growth of artificial intelligence has coincided with a rapid growth of large-scale data centers across Ohio and the United States; and

WHEREAS, large-scale data (storage) centers and hyperscale digital processing facilities represent an emerging land use category not previously contemplated under prior zoning classifications; and

WHEREAS, data centers may generate substantial infrastructure, utility, environmental, operational and compatibility impacts materially different from traditional office and commercial uses; and

WHEREAS, the City Council further finds that additional study is necessary to evaluate the long-term impacts of such uses within mixed-use and neighborhood-oriented Form-Based Code Districts; and

WHEREAS, Council therefore determines that exclusion of data storage center uses within the area rezoned by this ordinance is necessary and appropriate to protect the public health, safety, welfare, infrastructure, capacity, and planning objectives of the City; and
